About Panchayat Dashboard:

Quantitative data in terms of numbers and percentages are difficult to internalize and remember by ordinary persons including block (358 blocks) / Panchayat Functionaries (28582 GPs of Maharashtra), who need to analyze and appreciate their performances. Display of status through dashboard, is very easy to internalize. Ranking of each gram panchayat is visible through the online dashboard.

This system allows you to analyze demographic and housing data (Census 2011) on various census indicators at Gram Panchayat Level.

Entering into the System:

Type the following URL in your internet browser:

www.rdd.maharashtra.gov.in

The following screen appears:

The screenshot shows the homepage of the Rural Development & Panchayat Raj Department. At the top, there is a navigation bar with links for LOGIN, SKIP TO NAVIGATION, SKIP TO CONTENT, and font size options (A-, A, A+, A++). The main header features the department's logo on the left, the text "RURAL DEVELOPMENT & PANCHAYAT RAJ DEPARTMENT" in the center, and the state emblem on the right. A red box with the text "Click Here" is positioned over the header. Below the header is a secondary navigation bar with menu items: Home, About Us, Scheme, Training Calender, Panchayat Raj Campaign, Our District, and Grampanchayat G.I.S. Dnyankosh. A search bar is also present. The main content area is dominated by a large banner image showing a rural street scene with a house and a cow, overlaid with a circular graphic of a panchayat building. Below the banner, the text "ग्राम विकास विभाग" is visible. At the bottom, there are sections for "Key Person" and "Objective".

"Independence must begin at the bottom. Thus, every village will be a republic or Panchayat having full powers. It follows, therefore, that every village has to be self-sustained and capable of managing its affairs. This does not exclude dependence on and willing help from neighbours or from the world. It will be free and voluntary play of mutual forces. Such a society is necessarily highly cultured in which every man and woman knows what he or she wants...." - Mahatma Gandhi (Harijan, 28-7-1946).
